Just finding out about Leo's passing. We shared a home together in Brentwood NY in 1992-94. He was a great guy, good friend, and eventual landlord when he bought the home. He was always a happy guy and we had some great memories with him. He is missed. God bless his family and loved ones.

Gloria and Family So sorry to hear of Leo's passing. I remember when he was born and your Mother would put him in the carriage. Your German Shepard "Pal" wouldn't let anyone near the carriage. I just saw him recently when my brother George Schofield passed. My prayers are with you and your family. Carol

I am deeply saddened by Leo's passing. I first came to know him when I stopped in to get fall hay and corn decorations for my yard a few years back. Leo became a family friend who shared the past two Thanksgivings with us. I will miss his farm stories, history lessons about Willington and his jovial laugh! I will also miss his big wave from his tractor as I passed by.

My Parents, George and Josephine Lester, my brothers Harold and Buddy Lester and myself knew Leo very well as we were growing up. We lived on Willington Avenue when at the time our house was known as the "last house on Willington Avenue" in the town of Stafford. Harold and Buddy worked on Leo's farm in the summer and my Dad, being a building contractor worked on Leo's barns. I remember Leo as being a kind and soft spoken person. I am sorry for your loss.
