My condolences to the Molloy family. Bob was always a very kind and generous person and I enjoyed chatting with him. I will always remember my daughter saw a cat in his store and as she petted it and really liked it Bob said 'take it home' she had that cat for 14 years and loved it. Thank you Bob, may you rest in peace. Tony Ostrowski

Thank you to all for your condolences. My dad was a very private man who never knew how many friends he really had. Most people came to know him from the many years at Stafford Package Store. He was a very proud man, he was above all an honest man with a kind heart whose loves were his children, his grandchildren, his great grandchildren, and his SS Impala. For those who had not seen him in his last few years, know that he died with dignity and respect, and he knew that he was surrounded with the love of family in the end. He can now rest in peace. We will miss him dearly in our day to day lives, but he will forever be in our memories and in our hearts.
