When we lose someone special, is when we then stop to understand the statement-"life is short and live it to your fullest". Paula has done just that!!! I have been a friend of Paula's since Lincoln High School, I worked with Paul, I also was in her wedding and she was in mine. Since then, life got busy and I moved away. We kept in touch and always made plans to stay in touch but "time" took over and now..... I am sending my condolences.....It is very important to STOP AND SMELL THE ROSES!!!! Paula is a wonderful person, as long as I knew her, she wanted to get married and have a family! She did just that. She married a Wonderful Husband and they had two outstanding children. Her Mom Dad and Brother and Sister were also "her" life! She also loved her in-laws. Paula had the perfect life that she always dreamed of and talked about. Paula will still continue to be part of her "wonderful dream come true" but to continue her journey she will be the Angel that is needed to help guide and over-see her ENTIRE family. All my love to the Chenail and Ziemba Family.

I knew Paula from my childhood days growing up in Brooklyn. My fondest memories are from middle school where Paula was in all my classes and we were cheerleaders together. She was my "hero" as I was a closet thumb sucker and she would throw caution to the wind and proudly suck her thumb in Mr. Wollman's History class. She was the go to girl if you wanted a good laugh and just have fun. We lost touch when she moved to Lincoln RI in our Senior year but has left such a lasting memory on me that every time I travel to the Cape I think of her when I pass the Lincoln exit. I recently learned that she moved back to CT and has touched just as many lives there as she did during her days in Brooklyn. My most sincere condolences to the Chenail, Ziemba and Beaupre families as well as her dear friends from Mansfield. May you be comforted during this difficult time with the memories you have of such a remarkable person.

My fondest memories of Paula and the Chenail family are the times we spent visiting them in Connecticut. My siblings and I never wanted to leave! Now she has left us. So sad and unfair. My thoughts are with her husband and children, her family, and I'm sure, her many, many friends! xo
