There are no words that can express our sadness and shock. Know that we are thinking about everyone who loved Larry and hoping others are there to comfort Andrea since we are so far away. I have great memories from the time I was very young, and believe he has been welcomed heartily. All our love, Gail & John

Scott and I will miss him so much he was the last monarch of the family after we lost all the other "old timers" for salami day! At least we made it 1 last time in Jan. with the "family". We will always have great memories of Holiday dinners & picnics and Daytona parties at our house with him. I learned to always have the cards ready for him to play pitch! So he didn't have to ask me where they were! We know he has already beat NoNo at the 1st game up there!! Love Lynnet & Scott
