I always loved my Uncle Dick. He was so full of life and love. Even as a little girl, I remember him laughing, joking, and telling stories with such animation that you could not help but get caught up in the fun of being around him. I will always love and miss him.

Dear Janice, Barbara, Nora and to all of Dick's special people whom he so loved. Dick was a special man, as one could tell by the smile permanently affixed to his face and his personality. He was my older cousin of the Salvadori side of the Family as his Mother Rose and my Mother Annie were sisters. My recollections as a young child was with Dick and Nora playing at our grandfather's farm running and chasing each other around the old garage. Dick left his mark on this world with the number of people who loved him and he loved in return. Especially to his children, whom he so dearly loved. Our thoughts will be with you Janice, Barbara and Nora throughout Thursday and Friday, and during this Easter time. My sincerest sympathy, Carla & Rob Goodwin

Dear Jan, my prayers are with you. Dick was a nice guy and witty. It was a joy to have him around as he made everyone laugh. I know he came to you later in life but seeing the two of you together proved that you belonged together. He will be missed sorely at the Senior Center as he was always willing to help out when needed. Saying goodbye is never easy but God will guide you. Again you sill be in my prayers.
