Boys accept my sympathies on the lost of your father. Be glad that your mom and pepere and memere came to get him and I am sure that he is happy where he is now. He was fun loving so be glad that he is going to be happy there. Even though we don't like to loose a member of the family, the lord hs his reasons and we have to accept that. Will be looking out for him in the spring as he is coming to be with your mom and grand parents, along with his grandmother
