Auntie Eleanor was called Auntie "Nort", by some of us, only because "Eleanor" was hard to say when Rick and his brothers were younger... She always made us laugh with her ways... And she always was sooo pretty and just adored her husband "Uncle Bill"... She will be missed greatly... Sad for your sorrow \*\*\* Billy & Joan and families. love, Rick and June

Eleanor was my mom's best friend for many, many years. They enjoyed going out together, working at the church and just being together. She was like a second mother to me when I was growing up. I know how hard it is to lose such an important person in your life and I'm so sorry for your loss, but I know she and my mom are now catching up with each other and watching out for all of us here.
