It is only now, that I find out that June has passed away. I was living in another country in 2010, and just now was trying to contact her. I am so sorry to hear this news. My heart is broken. June saved my life almost 20 years ago. June, and her different colored eyes, was one of my greatest earthly blessings, my kindred spirit. A life well lived and served. June, your words and encouragement will live on with me forever. Thank you to her family for sharing her with me.

June, you are a beautiful person and I was honored to have you as part of our team so many years ago at PFY. You brought a kind, gentle and inspiring manner to those whom you counseled as well as to the staff. You were a cherished gift in my life, and no doubt, to so many whose lives you touched over the years. You truly cared and, my friend, you made a difference in this world. May you find love and peace in the presence of Our Lord and be rewarded for a life well lived. My sympathy and prayers go out to your family, friends and all those who loved you in this life that their memories will sustain them and that they will find comfort. I pray for your grandchildren that soon they will know with certainty that they have their own special "Angel" in heaven. God Bless and know that I will always remember you.
