To one of my best friend and best buddies. Nelson was a man that if you knew him you didn't have to wonder how he felt about you. If you don't know how he felt about you then you didn't know him as well as you should have. My memories can never be taken from me and I thank God for that. It was a joy to have him as part of our Church. We will never forget Nelson.

I am sorry to here that Nelson has passed. I first met him when we lived in Stafford Springs, in the old Rand farm in 1967, he use to take us to the races in Stafford where he would race. I remember him always working on his car with his brothers. I was 12 at the time.
