I'm so sorry for your loss. I have known Mike since we were little kids and we remained good friends. He was having a hard time with things throughout the years and he's got to be in a better safer place. He will be missed by all of his friends for sure. I'm sure that Nellie was waiting with open arms to greet and guide him through. Mike was always thinking of others as sick as he was. he recently gave me a donkey t-shirt because he knew I raised them. he didn't have much and yet he thought of me when he saw that shirt. I will think of him everytime I wear it. Rest in Peace now Michael my old friend. someday we will all meet again.love you always my friend Kathie

Wow...where to start. Mike was, and will always be fondly remembered. He was outrageous, full of hell, big hearted, outgoing and a friend to so many. Knowing Mike his entire life, there are many great memories of him and all his siblings. My siblings and myself spent many days of our younger years together. Baseball in the field, where Deb taught the boys how hitting and fielding was done. Mike trying to figure out why she was so much better at it than him. Parties in the fields, Mike always the first with a beer. Weddings of friends. Sorrow shared in the losses. Mike was always there for all of us and now we can be there for each other. Nellie will welcome him home and my dad will show him the ropes. You've come full circle Mike and we wish you peace and will always hold you in our hearts. Love you now and forever. Paula

I am so deeply sorry for your loss. I don't know where to begin with the memories. Our families were so close when we were young. I will always remember the house on East Main Street; holiday gatherings and how much my Mom loved you all so much. I wish your entire family much peace and blessings during this time.
