Shelly and Sharon, So sorry to hear of your mother's passing. You all did a great job taking care of her in her later years. I'll remember your Mom with fondness as I do you both, members of the Gamache's extended family.

Sharon and Shelley: My mother Kay Davies) and I are so sorry to hear of Dot's passing. Kay has been so worried about Dot over the past several weeks, as she has tried calling her several times. And thank you Sharon for calling earlier this week to update Kay on Dot's condition. Kay is currently in Health Alliance Hospital in Leominster, Ma., and so sorry to hear that Dot has passed on. I have vague memories of visiting your home on Grant St. in Leominster when I was young, but have a vivid memory of the friendship that my father and mother shared with Dot and Jim. We hope you are both coping well, and share in your sadness.

Sharon and Shelley: Got your phone message, but my cell phone died and I could not recover your phone #. Had no record of addresses for either of you.....suddenly remember I might find the obituary for Dot archived. I don't know if you will still receive this message or not. But wanted you to know that my mom Kay Davies did pass away on March 5, 2010, about 2 weeks after Dot. I am sorry I didn't think of this way to try to find you before this. RaeDeane
