I was sorry to hear the news of Aunt Denise's death. My heart is filled with sympathy for the family during this difficult time. It's hard to express my condolences from so far away, but please know that I am thinking of you all. I know how much pain this loss must be causing, but the memories and support of family and friends will help everyone get through the days, weeks and months ahead. Just knowing she is with Uncle Dale gives me peace, as well as it does others I'm sure. With My Deepest Sympathy, Love, Jane

One night in July we went for a midnight swim, after coming out of the very cool water we layed upon our back and gazed upon asky full of trillions of sparkling stars. We were talking about how beautiful they were, commenting on what it will be like when we went to be with our lord. Oh the peace and beauty for ever and ever, no more sickness, pain, heartackes or worry, when Aunt Denise pipes up and says, looking to the heavens Lord I hope there's heat there lam froze, we have to go in the house now or we my be joining you sooner than you planed. With that we ran to the house shivering and laughing all the way.

I actually didn't know Denise real well, but met her many times. I do know from what everyone said that she brought Uncle Dale much happiness in his last few years. My Mom, Barbara Smith has always been very fond of her and has told me stories of her over the years. I know that animals was one of her greatest passions. May she rest in peace.

I knew Denise for many years and she was always a kind, gentle person. She was very happy with her life with Dale. Our lives moved in separate directions over time, and by chance, we recently connected as friends again. It was like our friendship never missed a beat. She will be missed by those who knew her. I have lost a good friend.
