Dear Gina and family, We are sorry to hear of the loss of your mother. I only met her a couple of times and she was always sweet and so friendly. I know Denis thought the world of her and loved her dearly. May God help you and your family through this difficult time and may He bless each of you. Joe and Marcia Golas

If your mother lived on Scantic Road in East Windsor, I knew her. She has many great children. She even babysat for my kids a few times. I lived in the mobile home park in back of her house. May God Bless

My condolences to the Syphers' family, your mother was a wonderful and caring person. I worked with her twenty-nine years ago at a factory in Stafford. She was the first adult that ever treated me with respect and kindness. I remember the friendly chats we had every morning. She made working just a little better every day. My thoughts are with you all.

Phil & Michael, We are so sorry to hear of your loss. It is so hard losing a loved one, especially your Mother. We know this from personal experience and we pine for you. We didn't get a lot of time to spend with Carmella, but we enjoyed sharing the time we did have with her. She was a sweet, kind, talented and loving person and we know you were very proud of her as a person and a Mother. We also know that she was very proud of you. May God help you with your pain and grant you the serenity of knowing that she is where we are all meant to be - in His loving arms. You and your family are in our prayers. God Bless you and yours! With our deepest sympathy... Love, Donna & Jim Billings

All the Syphers... What can I say that hasn't been said so many times. Your mother was a wonderful woman who cared for all of you very much. She was not only Beth's mother-in-law but a good friend of mine. I will miss her dearly. I will keep all of you in my prayers and keep her memories in your hearts. Love, Donna

I know from personal experience what the loss of a beloved Mother is like. I feel for you and want you to know that I am thinking of you as you deal with this blow. It doesn't seem so now but time does make the pain less. The loss is always there but you have the good memories as well. Please accept my condolences and my wishes for you that you will find the support you need to get you through this time.

Dear Phil and Michael and the Syphers family. I was saddened to hear of the loss of your mother and just wanted to write to offer my condolences. Though I did not know your mother very well, and was only in her company but a few times, that was all it took for one to realize what a caring women she was. I never got to tell her that the kindness she and patience she showed toward my sister Dorothy was appreciated. Our prayers are with you during this troubling time.
