Elaine, Ollie & Family - I am so sorry to hear of your loss, and so glad we did get to see Julie at least a few times after she moved in with you. I feel bad we never did get to see her recently because we wanted to! I grew up next to you and your mom & dad and have always missed her and will more so now. I have many memories of my time growing up next door and how welcoming your family always was to me. God Bless her, and your dad too. Now they will be together again.
