To the Heck Family, Doing searches on my families geneology/family tree/history(wales). I came across the name Wilfred Heck,I hoped to meet him but unfortunetly when searching for a way to get in contact with him I, in the hopes he could help me learn more of the families history and maybe answer some questions I have about our history, was saddened to learn he passed very recently. So I wanted to express to the Heck family my deepest sympathy and condolences for you all. I really wish I could have met him, maybe one day I can meet the heck family and learn of the proud history and about Wilfred.Our families prayers are with you all.

Dear Shirley and family,I have very fond memories of collecting maple syrup with "Uncle" Willy, my cousin Brian, my dad, Roland, and my uncle gibby. Back in the day when you had to carry all the buckets to the truck. No pipeline then. I think of him often, especially when its sugar time. I am so sorry for your loss and you will be in my thoughts and prayers.Doreen Brady (Ann & Roland Ricard's daughter)
