I am very sorry for your loss. She was a wonderful person and friend. We have been neighbors most of my life. All of us played with each other growing up. She would buy apples from us, talk politics with me, many great talks we had. After all these years I still stopped by her tag sales. Bosco and I were born on the same day, month, year, and time. June 3rd 1963. She would always remind me of that and wish me a happy birthday every year. I will definitely miss her. I'm sure she and my father are talking politics right now. If you need anything from myself and my family please don't hesitate to ask. Keep the faith and stay strong for each other. Mitchell Muzio
