Dearest Lorraine, I am sooo.. sorry you lost the love of your life. Words from others can not take away the pain you feel! Only time. Celebrate Terry's life, how he made you laugh, the way you used to growl at him when he got on your nerves, and the way he looked at you! Remember he lives on in the kids and grandkids. I will always be here for you. Love you!!

Lorraine,... I knew Terry from High School and such a small world too because Helen from your work asked me if I knew Terry and when you're from a small town you know almost everyone... When I heard of this I was shocked and remembered the fun times we always had.... I'm sure Terry will be missed by so many. Terry was a great person. Sandi (Brown) Bonneau
