To the Rummel family, I am so sorry for your loss.. your family is in our prayers. Terry was very upset when he heard, about uncle Ted. He has always told me how special your family was to him. He was a kind, and wonderful man. I want to thank your family, for their support during this difficult time. TERRY would be so pleased to know his family was there for us, knowing you are going through your own difficult time. I was so touched by all your support.

A Gleaming Star-The stallions are starting to gather. One has left to roam. He left about a week ago. But his spirit is still home. It's like a family of friends. The Kentucky derby is running. Only one will lead the pack. All the rest will follow. Great spirits hold us together. It's not a farewell good bye. But the greetings are from the heaven. The sun is flying high. To many it's understanding. But others will play their part. We're all in the same boat together. And in the end it's a brand new start. So Teddy, on your journey. Over look the rest of the world. It's a beautiful place to remember. And it's round like a glistening pearl. 11-28-08 Hewey & Debbie
