My heart felt condolences to all of you for the loss of one sweet lady. I lived behind Pauline and Walter both for over 10 years (in Edith Davis' house). Pauline was such a nice person and was always good to us and our girls. I visited her often after Walter passed and we looked forward to seeing her on her front step every Halloween after we moved. When ever we saw her around town it was like we never left the neighborhood. She was just as happy to see us as she was when we lived right next door. I will miss Pauline very much!!

It has been so long since we have been neighbors, but I will never forget Pauline. She used to love to tell me the story of how she taught me my first word and how to stamp my foot when I said it. My thoughts and condolences to Denise and Wally and their families. Kevin Fisher

..."has you know"... was one of those things Pauline used to say often, and with an accent from home that she never lost...i will never forget the bottomless cups of coffee.... sitting in her kitchen... listening to her talk of her girls and boys... Walter....local politics through the years.... her desire to serve .... I will miss her sweet spirit, and never forget those chats about everything and nothing.....she shined like the moon on the sea & she will be in my heart always. Karen

To all of Pauline's family, my sincere and heartfelt condolences. She provided me with moral support when I became a co-worker. I could always count on her to show me the way. Pauline's many years of dedicated service to the Town of Stafford, as Town Clerk, will always be appreciated. Her smile will now return to her beautiful face for she will be reunited with her beloved husband, Walter
