I grew up two houses away from Holly on Hampden Rd. in Somers and went to school with her. I am so sorry to hear of her passing. Though I haven't seen her since our school days, I can't help but see in reading all of these messages, that Holly never changed -- she was always a sweet, smiling person. And in our hearts she always will be.

Sandy and John, my thoughts and prayers are with you. I just got back from Hawaii and called to see if they wanted me to work next weekend and Sue told me what happened. I wish I had known yesterday and I would have come to the Funeral. She was such a vibrant and beautiful girl, she and your Mother will be having a grand time.

Although it has been years since I have seen any of you (Lisa, Bobby, Mr. Irish) I have never forgotten our days on Hampden Rd. Your family and your grandmother were the first people we met when we moved to Somers. I will never forget playing in the stream, gathering violets (Holly helped me gather so many and replant them, many which now have spread on my current home), building forts, riding bikes, with Holly always trying to be a part of the "big kid" group. Our lives have moved on, but the memories have not. She was the cutest little girl, I will always remember her. My prayers and thoughts are with all of you.
