I am so sorry to hear of Zenna's passing. Zenna married my husband and I over 20 years ago. I have known Wally since I was a child riding the school bus together, Donna from high school and then seeing her at West Stafford School and recently got to know Denise from REd Balloon and karate. Please know that you are all in my thoughts and prayers. Try to take comfort in your memories.

Very few people have the ability to find the good in people. Zenna was one of them. She had a forgiving heart. And she could laugh through her tears. We never know what life is going to give us and what hardships we have to endure; She did it all with more grace and strength than any one I know. The cancer took her life but her memory and laughter will live on forever to those who love her. My life was enriched by you Zenna and I wish you peace and your family comfort in knowing their Mom was someone special. She was loved and admired by many people and would have done anything for each and everyone of them. Her kids and grandchildren were the joy of her life. My hope for her family is that soon; you can think of Zenna and smile for that is what she would want you to do. Remember the good times. Phylis Roy
