As a kid I have very nice memories of Uncle Tony & Ciotka Marge and my Enfield cousins. Going to the beach during the summer at Hammonasset Beach State Park or visiting during the year at each others homes in Enfield and Farmington. I am sorry for your loss!!

I always liked to hear him tell the stories from his past and his visits with the family to Farmington were always great. We took him fishing to Morea Pond and he caught half dozen bull heads and he could not have been happier. I'm regretful I didn't get a chance to see him in the last few years but for an occasional conversation when he talked to his big sister. Our best wishes to his children and grand children.
