Dear Linda,Carroll,David and Butch and family, I have known dad and your family for over 40 years and your dad and mom meant the world to me. Mom and dad always took me as part of your family and I love them for that. We all had some great times together. I remember all the motorcycle rides that we use to take and out to dinner and the Indian pudding. I will truley miss both of them. My thoughts and prayers are with each one of you.
