Although I haven't seen him in years, I have vivid memories of being friends with Donna and Tony being the mischievous younger brother, driving us crazy but always making us laugh, too! From what I have read here, it sounds like he didn't change much even after his accident! My sincerest condolences to the entire DeNunzio family.

In the short time that I met Tony at a facility in Enfield. Tony would keep an eye on my Father Joseph that was in the next bed. When I came in to visit, Tony shared how my Dad was doing and offered it very sincerely. I came to like him and after explaining his disability wished that I could help him. My Dad passed on Tuesday June 18 and I offer my most sincere condolences to his family. He was a wonderful man.
