Mom, I can't express how deeply I miss you. Our home feels empty since you have passed. We were so honored to have you share our home with us. You were the most loving, caring, compassionate woman I have ever known and I hope someday to be just like you. My love for you since I can remember has never ever changed. You were the best mom anyone could have ever of asked for. You always placed everyone first before yourself and never asked anyone for anything. I love you so very much mom. You were my angel, my little peanut, my best friend and my mentor. I afeel blessed that you passed so peacefully and now are at peace and out of agonizing pain. Mom, I will always know how how you loved me and I will never ever forget everything we talked about, all our memories and laughs we shared together and most of all, the honor it was to have you in our home and be able to share that special time with you. I love you mom and I know in my heart you will always be with me and guide me and watch over me and my family. All my love to you. I feel so lucky to have had you for my mother.. I LOVE you. xoxoxoxox
