Steve was always so kind and helpful. Steve & Jen treated me like family. The dinners, nascar, fighting over fords and Chevys, shooting bows, Steve being the first one to show up when my friend shot his first deer, he gave me me my first hunting knife and got me back into archery, let me drive his truck through the mud bogs.. Just so many good memories that I'll never forget. I'm so glad I had the chance of becoming so close to Steve & Jen. Love you both always

I've had the pleasure of knowing Steve for over 20 years and I'm not to sure who to thank for introducing us but sure am glad I knew him! Steve rarely ever had a bad thing to say about anybody, always a positive attitude happy guy and all around awesome human being. We never did get a chance to hunt together but did do some great fishing together, the opening day morning breath was horrendous!!! Lol....If I remember correctly Steve heard my son say his first words, and the stairs in his house were the first ones my son climbed !!!! it was all down hill from there Steve, thanx for letting him do it !! Lol....NASCAR FAN YOU SAY???? Holy crap!!! Tough to get through to planet Luchon on a sunday when theres a race on thats for sure, unless there were steaks involved,he would pause the race for steaks for sure!! Unfortunately we kind of grew apart over the years but Steve was always a dear friend who was taken from us way to soon..... R.I.P Steve you will be greatly missed!!!!!!

I will treasure all the memories we shared together....God knows there's so many....you will always be a very special man in my heart and soul...I will never forget your smile, jokes, all the compassion you had for others, how you always found the good in everyone, and the love you had for animals. You will be missed more than any words could ever explain...I love you buddy....rest in peace!!
