Michael I am very sorry for your loss, but it is my loss too. If I had known I would have come for the services. If I had been able to reach her I would have communicated with her more and been more a part of her life in the later years. I loved her very much and she was an important part of my life. I will miss her. -Kathryn LeGrand-

Mike - Our deepest condolences to you and your family in the loss of Betty. She was a sweet, wonderful and kind woman whom shall never be forgotten. We will always be grateful for the many years she and my Dad shared together while living next door and all those hot lunches she used to make for him every day!  Mike - we are so sorry to hear about Betty. Our Friendship spans many years - from the 70's on. I remember she used to call me in Kansas, late at night, and we would talk forever. She used to pick strawberries for us and I used to pick blueberries for her. So many great memories! Our deepest sympathy to you. John and Sandy
