My condolences to the Bachiochi family. May you and your family find help from Isaiah 41:10 reading: Do not be afraid, for I am with you. Do not be anxious for I am your God. I will fortify you, yes, I will help you. I will really hold on to you with my right hand of righteousness. Yes, He will give you the needed strength to continue on. Please find some comfort from this in your days ahead.

I was privileged to work with Ray on the Land Committee at the Stafford Fish and Game Club. In a short time I got to know him, we had a lot of laughs and accomplished something that he had worked very hard to see happen. I will miss seeing him at our meetings. Rae Lynn and Family I am deeply saddened to hear of your Dad's passing. The last time I saw your Dad was in 2009 when he attended my Dad's wake. You and I were classmates at St. Edwards and your Mom was my Scout leader when I was young then as an adult we worked together at the Borough School. I have such fond memories of you and your family. My thoughts and prayers are with you and your family. Donna Lester Potwin

We have known Ray and Marilyn for as long as I can remember. They both were more than friends to our family, they were family. From the time we vacationed at at Misquamicut Beach to those yearly camping trips in the White Mountains. I still can remember both Ray and Marilyn coming up from that ice cold river at Jigger Johnson ready to whip up those delicious dinners and then sitting around the ol' camp fire. Then the time Ray couldn't stand it anymore and finally swatted that pesky red squirrel with a frying pan, who continuously harassed him while he was trying to make breakfast. Then those times when someone kept adding rocks to the backpacks while we were hiking up Mount Washington. Cruising down the Saco River in canoes was also part of our journey with the Bachiochi's. We are very blessed to have these and so many more memories of good times. We will miss you Ray. Linda and Darryl Warchol

I had the honor of getting to know Ray over the past 5 years. He always had a smile on his face and a story to share. He has always been in my husbands life, teaching him to ski and having many adventures camping, fishing and hiking. Ray will be missed dearly by many. Pat and Bill Rabideau
