So sorry to hear of her passing. Always enjoyed her smile at the paste dinners her husband would spend all day preparing at the church in Union. What a good person! ❤️She is missed!

My deepest condolences on the loss of your beautiful and and mother. Dear Jerry and Debi, know that even though it's been a long time since we've been together that I've thought of you all often. I was thrilled to have re-connected with Jean on Facebook last year and follow your lives via her posts. I was shocked and saddened to learn of her passing. She loved deeply, laughed heartily and lived life with intensity. My heart aches for you and I pray that, as each day passes, your sorrow diminished for she is at peace.
