"Hey Handsome" is what I said to u when I saw u on Sunday...your response was "me?" And Ash said "of course u grampa" U smiled and it made me feel good cuz u felt loved and adored. I visited u everyday except for Tuesday and I felt empty that day. Saw u Wednesday and got the horrible news Thursday. Although I didn't know u as long as others but u are still family to me. You and your wife opened up your home to me and I'll be forever grateful. Handsome, I want u to know that no matter where life brings me, I will always love Ash, Gemma, ur wife and Keith so very much. I will do my best to watch over them and give Ash a shoulder to wipe her snots on when she needs it. I joke but my heart breaks that u r no longer physically here. No more walking in the door, looking over to my left n seeing u sitting in your chair :- (All I can say, is you're no longer suffering but all your loved ones and soon their healing will begin knowing that they have such a handsome angel watching over them. U will be missed. Rest in paradise and please tell my godfather that I miss him beyond any words. 3-17-16 ❤️

I will never forget Uncle Leroy's smile and laugh. Or his love of fishing! He and my grandfather would sit by the pond for hours on end. My deepest condolences to Cindy and family. He was a wonderful man. I can only imagine the Foucher party going on in Heaven!

To Aunt Cindy and all my Wonderful Cousins!!!YGTBSM.....Uncle Leroy.....One of the BEST Uncles in the WORLD!!!!!!As a little girl, I remember all the trips to the beach where we got to meet and know our new cousins -- at the time -- Keith and Kim. All of us in the back of the truck heading to RI - Misquamicut. Those were the best days of my life with Uncle Leroy and Aunt Cindy! As the year went by, I saw he and my Dad form into twins -- couldn't tell them apart! My kids didn't know if Uncle Leroy was Grampa or not!! This hits very hard as we lost Uncle Leroy's twin just a few short months ago. But, now, they will be back together again and now another party is about to begin in Heaven! I know God is ready for this as He is the reason our family is who we are AND, He chose the best partiers to ho ahead of us! We have been so blessed to have had Uncle Leroy as long as we did! I'm so very glad I went to see him and was able to talk to him and kiss him and just feel close to him.I LOVE YOU so much Uncle Leroy! THANK YOU for all my special memories with you!Love you Always,Karen
