Theodore W. Rummel

OCT 10, 2016

Theodore W. Rummel, 61, of Stafford Springs, CT, passed away unexpectedly on Monday, October 10, 2016. He was born in Johnstown, PA, son of Patricia (Fisher) Rummel and the late Theodore Rummel. Ted was Vice President and Real Estate Appraisal Manager of Webster Bank. He held the MAI designation from the Appraisal Institute and FRICS designation from the Royal Institution of Chartered Surveyors, and was the current President of the Connecticut Chapter of the Appraisal Institute. Ted was a member and past master of Wolcott Lodge #60, and current District Deputy of Masonic District 9B. Ted was a member of the Stafford Republican Town Committee and the Board of Finance, and prior member of the Board of Assessment Appeals, Board of Education, and Economic Development Commission. Ted was also a Justice of the Peace, a member of the Sports Car Club of America, and an Amsoil Dealer. Ted's greatest loves were his family, home, and farm – cutting trees, raising Scottish Highlanders and occasionally making maple syrup. His greatest pride was his two wonderful sons, who he taught, mentored, inspired, and motivated every day. For years, the family traveled the country racing motocross, arenacross, and enduros, where Ted made lifelong friendships with countless members of the racing community. Besides his mother, Ted is survived by his loving wife and best friend, Cindy; sons, Derek (and companion Katharina Schlegel) and Damon (and companion Meaghan Collins); brothers and sisters, Sherry Rummel, Brenda Rummel, Jim Rummel and wife Tracy, Kathy Champagne and husband Joe, Tim Rummel and wife Joadi; nephews, Bobby Rummel, Brian Rummel, Michael Champagne and wife Frances, Jake Rummel, James Rummel, and Jared Rummel; niece, Savannah Rummel; great nieces, Caroline and Clara; and many aunts, uncles, and cousins. Ted was predeceased by his brother, Robert. Family and friends are invited to celebrate Ted's life on Saturday, October 15, 2016 starting at 1 P.M. at Ted and Cindy's home, 216 Hydeville Rd., Stafford Springs, CT. In lieu of

On behalf of the members and appraisal professionals of the Massachusetts and Rhode Island Chapter of the Appraisal Institute, please accept this expression of condolence and sympathy to Ted's family, friends, co-workers, colleagues and to his fellow Connecticut appraisers. His commitment of dedication, experience, intellect, time, energy and his support of integrity in appraisal were exemplary. It was my personal misfortune only to have a brief acquaintance with Ted during the past two years through attendance at Appraisal Institute events. Ted was one of those event attendees who was readily sought out for shared conversations; his experiences, common sense and wry humor were ever appreciated contributions. Ted is missed and his fellow appraisers are saddened by his absence which is a unique, irreplaceable void. With sympathy, John P. Mello, SRA, President: 2016 Appraisal Institute Massachusetts and Rhode Island Chapter

Dear Family and Friends of Ted,I was shocked and saddened beyond words to learn of Ted's passing. He was such a pillar of the appraisal community.Ted worked for me after CB&T became Bank of New England and I was corporate chief appraiser. I can recall Ted's contributions to our office meetings and his deep understanding of real estate and appraisal. We developed a mutual respect which has carried through to this day as he has been hiring me for appraisal assignments for Webster Bank.A few years ago I had appraisals for him in progress when my parents became sequentially ill and I had to travel to Arizona on several occasions. Ted couldn't have been kinder in helping me get extensions on my deadlines and he said so emphatically, "Take care of family first!"I will greatly miss Ted and remember him fondly.My deepest condolences to his family, friends and colleagues.With great affection for Ted,Bruce Wiley

Cindy, Derek and Damon...Suzanne and I were so sad to hear the news about Ted. What a loss for all of us. We cut our teeth together in the appraisal field back in the early 1980s and again in the early 1990s. I never would have made the switch from fee appraiser to bank appraisal officer except for the fact that he motivated me to do so when he left my firm to accept the job at the original CBT. In recent years, our primary contact was at meetings and seminars. We always talked about you and about my family. He was so proud of you, and it showed in those conversations. We wish we could be with you tomorrow, but we have prior plans to be with good friends in New Hampshire who are hurting since he received a bad medical diagnosis. I went to Mass this morning to offer prayers for Ted and you. You will remain in our thoughts and prayers throughout this ordeal. Peace...John Leary

Although I have never had the pleasure of meeting Ted's wife or children, he always seemed excited when talking about you. I have known Ted for 25 years, as an appraisal colleague and cannot believe how saddening it was to hear of Ted's passing. He wrote a column dated in late September for the New England Real Estate Journal that reminisced about how things have changed in the appraisal industry over the past 30 years. It was kismet that he wrote such a wonderful retrospective on a portion of his life so close to what turned out to be the end of it. Enthusiastic, always willing to learn, helpful and kind. That is how I remember Ted. May you find your strength and peace.

He looks so happy; I met Ted when I first started working for Arnold Grant in 1986 and we've been appraiser associates since then. I am so saddened by this news. He was such a nice person. He even called me when my Rhode Island license expired and I hadn't realized it; got it fixed that day. Saw him at an event at the Federal Reserve building maybe about a year ago?
