Krys, Missy, and Mr. Nagel, My heartfelt condolences to all of you and your extended family as well. Krys, I have so many fond memories of our childhood together and Bryan (and you too Missy) are certainly a big part of those memories. Those memories will always be pressed between the pages of my mind, and I will forever treasure them. May your memories of Bryan help you through the difficult days ahead. And may you find some comfort knowing that your Mom now has her sweet arms around him. My love to all of you. With love and a heavy heart, Maureen Owen
