Still shocked by the accidental death of this great man. Today would have been Paul and Sylvia's sixtieth wedding anniversary for which a party was planned. They have accomplished much in those 60 years. So much to proud of! They built a strong family base that will live on forever, welcoming outsiders treating them like family. I tribute Bruno in bringing us to Florida as we were entrusted to care for him by Paul and Sylvia. Bruno was their beloved pet. This was a great honor. Such great love these people have shown us. Rest in peace Paul Davis and thank you for being you!

I remember Uncle Paul playing Santa one Christmas when Great Grandpa always had his Christmas Parties across from mill pond. I remember sitting on his lap as a little girl. He asked me what I wanted for Christmas. I spoke softly in his ear and said, "I want my whole family to be proud of me one day." He looked at me and said, " They will my dear, You're one of the good ones." I don't have many memories of him, but that one always stuck with me. He was a kind man and had a gentle heart. I know family was one of his most proud accomplishments. God speed Uncle Paul
