I have just learned of Joe's passing and wanted to send a note sharing what wonderful memories I have of both Joe and Ina and time spend with them and my parents in Maine. Summers would not have been the same without blueberry picking, clamming, fishing and lobster eating. My father was so happy to be able to work to help with some project or another and have time with Joe. Those were special times. Sending my condolences to all. - Fondly, Frannie Mottes Greenberg
