Gloria (Memere) was a very special woman. I had the pleasure of being welcomed into the family years ago and cannot be more thankful. The entire family are special people who have a special bond. But Memere touched a place in my heart that I'll never be able to explain. She could tell a story with just one look or expression. She could melt your heart with one hug. She always kept family first and will be truly missed. Sending three kisses from the bottom of my heart to the whole family. Love, Dee
