Olive was a big part of my childhood. She was one of my mom's best friends. She would come stay with us in Massachusetts and we would visit her. She taught me how to play card games and I remember her collecting pennies. I remember thinking she had the coolest car- when she drove I believe a Cougar or something like that? We stayed in touch until my college years. She even game me my nickname: "Jenifuzz". So sad to hear of her passing. Much love. I will look for some pictures and post when able.
