It was a privilege to be John's physician for many years until I retired 5 years ago. We had many of the same interests and I had enjoyed our conversations. He will be sorely missed by the extraordinary Mihaliak clan. Michael and Jean Sharon

Jane, it saddened me to read of your father's passing in today's paper. Losing a parent no matter how the fullness of their life, is turning a chapter and one that is difficult. I know it has been many years since we have shared moments in our lives, but please know I am holding you and your family in my thoughts. May the memories of your father help you through this difficult time. Peg Busse
