My condolences to your families on Dads passing. I am grateful to have been invited to share some time with you all and Don in January. I admired his resolve to let "it" go and if you are believing in the hereafter I am seeing your Dad reunited with your Mom and all of our extensive quantity of relatives who have gone before. As Ellen, Jan and I always agree upon as being a nice scenario; "there is one heck of a party going on somewhere out there and all of our loved ones are together again". It IS bittersweet. My best to all of you as you go through this most difficult time. Even expected, as it was, makes dealing with Dons passing no easier. His presence will be missed by many...Godspeed Donny...Cousin Joe
