Bryan C. Alexander

MAR 30, 2019

Bryan Charles Alexander “Pops”, beloved husband of Tracy (Anderson) Alexander, passed away unexpectedly and far too soon on March 30, 2019 from doing something he loved, riding his motorcycle. He was born in Hartford, CT on September 30, 1970 making him a young and full of life 48 years old. He was the son of William and Kathy Alexander of Ellington, CT. After graduating from Ellington High School, he served his country in the U.S. Army. Bryan loved his family, his friends, and his grandchildren. Out of all his accomplishments, he was most proud of his wife, his children Tyler, James, Hunter, his step children Kaila and Ahmelia, and most of all his grandchildren, Jordyn, Addelyn, and Hudson. Bryan was the most hardworking and selfless man who only cared about making everyone around him happy. He was full of love and had the biggest heart imaginable. He believed everyone, even those most undeserving, deserved a friend. He was that friend. In addition to his wife, parents, children, and grandchildren, he is also survived by his brothers, Bart and his wife Carolyn, Chris and his wife Kristen, his nephews, as well as many extended family and friends. Relatives and friends are welcome to join the family from 4-7 P.M. on Friday, April 5, 2019 at the Introvigne Funeral Home, 51 East Main St., Stafford Springs, CT. In lieu of flowers, a memorial donation can be made to the Crystal Lake Food Pantry, 278 Sandy Beach Rd., Ellington, CT 06029. Bryan called that fateful Saturday afternoon, not knowing this would be the last time I would hear him laugh. Tracy had found Bobby's sunglasses that he had lost at his house all broken. He said we could super glue them and he can shut one eye because one lens was missing and still use them.. we laughed together one last time. I told him I would see him later but later never came, and never will again. A quote by Ralph Waldo Emerson stuck in my head when I heard it was Bryan on that bike, "Do not go where the path may lead, go instead where there is no path and leave a trail." Bryan did just that. He leaves behind a trail of love for his family, friends, and just anyone that met him. The fire inside him burned brighter than the fire around him. Sometimes he found himself in the middle of nowhere and sometimes in the middle of nowhere he found himself. With Tracy he found that missing part of who he was to become. I saw him Saturday working on his bike with his son. One, thing that was so evident about Bryan was how he loved his children and how proud he was about them experiencing the good and bad that life dealt while overcoming obstacles to become better people. I would hear stories of their family, as he loved to tell me the funny stories. He loved working on his bike, and always had grease under his nails most of the time. Bryan felt four wheels move the body, two wheels move the soul. Well Buddy, "Ride Big, Ride Long, Ride Free." Why does it take a minute to say hello and forever to say goodbye? With much Love to all his family, Bobby Dombek and Tracey
