We are so saddened by this news. Our deepest condolences. May he Rest In Peace. I'm so glad I got to recently "reconnect" with my cousin Mike. I'm so sad, and regret losing contact with him for several years. He still had the biggest and brightest smile that I always remembered. He would light up a room. He had a great sense of humor, and was stubborn just like his Dad. I will cherish the memories I have with you. I will remember our last hug. Our thoughts and prayers are with Mike's family and friends. Love you always, Mike. Keep sending me signs. Give dad a hug for me. Miss you both so much. Fly high my sweet cousin, fly high.
