Rick & family, so sorry to hear about Emma. She was such a wonderful lady with a great sense of humor, even when she wasn't feeling well she would always joke with me.. May your cherished memories help you through this difficult time. Tracey (from Ashford Auto Parts)

To me, Emma was always lovingly referred to as our "Nanny". This is because she WAS that to everyone, and anyone who's lives she touched. She had an infectious giggle, and a love for people that was so pronounced, and genuine. When I was new in town, she made me feel like family right away, and extended that to my children as well. I will always remember her with great love. As she watches over her family, I hope she is sitting in a beautiful field of sun flowers prepared just for her arrival in Heaven. All my love, Jane Rontey

From day one you made me feel like I was your daughter and I was loved as one of the family. I will miss you so very much, all the talks we had about flowers and all the times we wanted to go pilfering just to find something. I love you and you will always be in my heart.
