I think of you often of the days from so long ago. You will always be my devoted friend and I will always love. We went through much of life's ups and downs but we always laughed ourselves back to sanity. Rosal's was our Salvation. I miss you but I know you are where you wanted to be. Bob was your best friend and you missed him. Forever in my heart thank you for being my friend.

Meme, you were my second home, my second mom, my everything in a sense. You and Poppy will always be, there is no him without you and that's all I've ever known. I never thought the day would come where either of you were no longer with us. Just doesn't seem real. Growing up with you was memorable, watching Star Trek, Jeopardy, Wheel Of Fortune, Horse Racing, Nascar, and the Game Show Network Channel. Watching Bambi until we both knew the movie word for word. And you creating 'Ducky' who, as I got older eventually left to visit Florida and never came back. Doing ceramics, going to craft shows, you taught me how to crochet, make candles and soaps and we even made my 8th grade prom dress and graduation dress. We had such a deep and special bond which you never had with any of your other grandkids. I feel truly blessed to have grown up with such an amazing set of Grandparents. Thank you for EVERYTHING You have ever done for me and my family; from the day I was born until the day I die, I will take your memories and life lessons with me. I Miss You, I Love You, Not A Day Goes By That I Wont Think Of You, This is NOT goodbye, for goodbye is forever. Until we meet again. Love, Nikki.
