I never met Charles Woytik but he had a life changing affect on my family. From 1979 till now I have always wanted to talk to him and thank him for his actions as my life would have been totally different if it wasnt for his selfless volunteer search. Upon learning of a missing plane and a report of a witness hearing a low flying plane, Charles took to the woods to search for the plane. His decision tocross the highway and continue his search despite fading daylight saved the life of a total stranger, my father. About 40 years later a quick GOOGLE search reveals a newspaper article of the accident and the name of the man who found the wreckage. Another quick search revealed that I would never get to thank Charles personally.....an amazing man I never got to meet. John Brock

Charlie was a good hearted man and a friend to many of us in Ashford. Charlie's love for animals and wildlife was a reflection of his gentle and kind spirit. Charlie's life was lived for his farm which he tended until he just no longer could. God rest ye Charlie and bring ye everlasting peace. Certainly the passing of Charlie leave our community saddened and our world a colder place. Mike Enright

Charlie, you were a friend to me for over 40 years, and one that I cherish. There is no doubt that when you were born 93 years ago, they destroyed the mold, and there will never be anyone quite like you again. Your passing is the end of an era in Ashford. May you find the perfect farm in your next life, and may your cows never escape again! Rest in Peace, my friend. Bill Shemansky
