I always think of them as my "grandmothers" cause I treat them Like they are mine. Sending my love to you all. Cindy.

So many memories over the years of Mary, Walter, and Kevin with parties where Poppi and Eleanor were present. Since Mary became a member of the family her mom and dad were always part of great family events.. Her passing does bring back many memories of better and happier times. You know our thoughts and prayers are with you Mary and Walter, and Kevin, Kelly, and Seamus as well as with Anne, John, Amy and Sarah and their families. God bless Eleanor you will always be remembered for the wonderful person you were. It is so sad to loose a mom, how well we know, especially at this horrible time, when we can't all be together to ease your grief. We look forward to a time when we all can be together and share fond memories of better times together. I am sure Eleanor is with Larry in a wonderful place.
