We pay tribute to one special lady. We have many wonderful memories throughout our married lives & as long as I can remember when I (Eleanor) was a tiny tot - I always looked up to Clara as my idol & a perfect example of what I wanted to be when I grew up. She was always ready to hear about what you were doing & she shared many thoughts & experiences with you. She sincerely cared about everyone & was always interested in their well being. Love & wonderful memories will always be with all of us. Heaven has gained a truly super & lovely lady. With our special prayers, blessing & sympathy. Tom & Eleanor Kyc

Such a truly wonderful person full of joy and happiness especially around her family. She put a positive spin on everything. I remember going out to eat with her, Karla and Julieanne. She was so kind and caring with everyone; never a negative word passed her lips. She was so helpful and never complained - while we were reminiscing, she would modestly divert attention from herself and stated how much she enjoyed helping her daughters. She was sharp minded and a pleasure to be around. Karla and Julieanne you are so lucky to have had her and she you.
