I can see Richie walking towards the light with my brothers. They have their arms around each other and they are laughing. Don is on the left because he was lefty and Jim is on the right because he was the oldest and always has to be right, right? I say that with a smile. While we cannot put our arms around Richie today, we open our arms to each other with love and great tenderness.

My cousin Richie helped us with dozens of pictures of family members and genealogy for our Ancestry.com account after we lost all our family photos in Florida. He was always there with tidbits of information and that missing photo you are always looking for. He will be missed by all. Kathleen, Dennis and Christian Scranton and Jason and Brett Hillman.

Dear Janet and family, Though I never met Richie in person, we became good friends on Facebook. I thoroughly enjoyed his wry comments, observations on life in general, religious and spiritual thoughts, and, of course, his humor I will truly miss him and am confident he is now residing in Heaven with the Father he so fervently believed in. I send my deepest sympathy to all his family and to his friends as well. Patricia Urda (Thompson) O'Brien
