I am so very sorry Amber for the loss of your dad. He was such a great guy and my heart goes out to you like you wouldn't believe. Rob and I go way back to when he was a hair older than a toddler and his two brothers. I've known him for always and was devastated when I heard. I'm sorry for what you must have gone through during his illness and I wish I had known for I would have been more than happy to help out. The only thing that I can say is that at least he is no longer in any pain and is at peace now. I will miss running into you Robbie and you will always always have a special place in my heart. R.I.P ROBIN and say hey to your dad for me...love you always like a son

Amber and family, my condolences to the passing of Rob, I'm truly lost for words right now, this just isn't fair, Rob will always hold a part of my heart for many reasons, one and the highest was he was like one of my big brothers, a brother from another mother, a mother that used to babysit us when we were all little, many years past but once we reconnected it was like no time had past in between, Rob thank you for Always being there, giving me a hug each day when we got to see each other, thank you for your love and support at katys runs, meant so much, thank you for all the fun times and find memories you left me to hold onto, you will never be forgotten bud, I'm going to miss you so much, say hi to mom and Katy for me, FOREVER IN OUR HEARTS, love you..April
