I enjoyed my weekly visits with Aunt Rose over the four years she was at Evergreen. We would sometimes talk about the past and I told her more than once that my brother and I always looked for her box of cookies at Christmas; our favorite present. She was always so thankful for anything Fran and I did for her. I really especially admired her lifelong commitment to God and His church. It was disappointing to not be able to celebrate her 99th birthday in person, but I hope she was able to enjoy the floral birthday cake we sent to her. We were surprised and pleased that she survived the virus last year. I'm very glad she didn't have to suffer long this time. Irene K. Peterson, niece

Growing up on George Street, I have many fond memories of Rose and Steve. Every year when Steve planted his garden, Rose would be out there helping him and they would always plant more than they needed so they could share the crops with family and friends in the neighborhood. Rose was such a wonderful, gentle and loving person. Whenever we saw Rose, whether in the neighborhood or at the grocery store, she would always say hello and ask how we were doing. May knowing she is now resting in the loving arms of our Lord and Savior, and now reunited with her loving husband Steve, bring comfort and peace to the family. Leigh (Mandak) Maxa
