Arthur J. Houle

MAY 28, 2021

Arthur J. Houle, 58, of Stafford Springs, CT, passed away on Friday, May 28, 2021. He was born in Manchester, CT, son of Ronald C., Sr. and Susan M. (Cahill) Houle. Art was the owner and operator of A & H Excavation and Concrete and truly enjoyed spending his time inside his machines. He leaves behind many “Works of Art.” Art never stopped doing what he loved, and continued to play in his excavator well after his friends and family told him to sit down and relax. Art knew that he was skilled at his trade, and never hesitated to offer his help to anyone who needed it. He often traveled to many job sites a day so that he could help out a buddy. Those who were lucky enough to be loved by Arthur knew he was someone you could count on, and that he was genuinely happy to help. When he wasn’t digging holes or fixing machines Art could be found spending time with his friends and family whom he loved truly and deeply. Coffee with Pop was the best beginning to any day. His pride for his family was obvious by the stories he would tell to anyone who would listen. Reuniting with daughter Rachael was the greatest highlight of recent years and brought the biggest smiles. Cape Cod always held a special place in Art’s life, and for many years he enjoyed getting out on the dunes at Race Point – going to his paradise. Weekends spent grilling cherrystones out on the dunes with his wife Karen, and occasionally Taylor, Nathan, and their dog Boomer, was something Art treasured. Wherever he traveled, Art made friends with his famous greeting “Hey Chachi!” He was instantly loved for his goofy and warm personality, and love for life. He found happiness in the simplest things in life, and rarely complained about much besides the weather. Besides his parents, Art is survived by his loving wife, Karen Vaiciulis; four children, Lindsey A. Johnson, Rachael Collette Houle, Taylor and Nathan Burton; three siblings, Ronald C. Houle II and his partner Stephanie Irving, Lynette Arruda, and Renee Garrahy and her husband T.J. Arthur was blessed with lots of aunts, uncles, cousins, nieces and nephews. Arthur was predeceased by his younger

And Thank You Renee – for everything. I miss my you Art. Our private conversations between you and me when I needed my big brother as well as my best friend growing up who always let me tag along with you and your friends. High school at windam tech with Bob combs. Donald Broadway. John Lindsey and of course Myster. (not sure if his real name). We had more memories when you were married and adopted my beautiful niece and then had your bear daughter. Art you would of been so proud of Rachael Houle during your service as she talked about you and cried. You we're so lucky to have Karen who stood by your side through EVERYTHING. Also for your step daughter Taylor and your stepson Nate who were there for you to the end as you were a great step Dad. I love you my brother but mostly my Friend. I know you left this world on your final wish was to be with your daughter Rachael again. Art I love and miss with all my heart and on my birthday I wish I could talk to you again. Rest In Peace Art. Till we meet again my friend. Love you Bro

Artie, Your tributes say it all~~~you are a special person in so many people's lives. Not many people take time nowadays to be that special person: the person who listens, cares, and inspires. Richard and I marveled at your ability to remain positive throughout your medical journey. We listened, intently, to you describe your various medical procedures with such precision and optimism: you inspired.{{{{{Whenever I hear an Eric Clapton song, I will see you..... Richard and I shall always remember my special initials given to me by you on my 65th bday}}}}}}Much love and, from above, share in our happiness and guide us always. Richard and Audrey

One of only a few in my life, Art was a friend in the truest sense. In the 50+ year's that we knew one another, there were lapses in contact, but we always picked up where we left off. I will miss you Hoser.

Art and my sister-in-law, Karen, began as a couple when we built our home in 2004. Art dug the foundation and they must have re-met through the course of that project. Throughout the years, many holidays were celebrated at our home, with Art always providing comic relief whenever anyone was unhappy or arguing. He always had a smile, a joke, and a hug for me, in particular. We witnessed Art's generosity of spirit on many occasions, and he could always be counted on to brighten the day. Most especially, he and Karen were better together, and I was happy to share a small part of that happiness, whether it was in our home or theirs. Art - you will be dearly missed and I know that everyone who knew you is missing you sorely today. Rest easy now, and watch over us. With love and affection - Colleen Vaiciulis

Words cant even explain how much you were and are loved. I'm so blessed to call you my uncle. You taught me many things about life and what is wrong and right. You have a wonderful sense of humor and always make people laugh. Although you were very stubborn and never stopped working your butt off, your construction sites are a work of "art". Your were an amazing son, sibling, dad, uncle, nephew, cousin, and friend. I hope you know how much you are missed. You have fought for so long and it was your time to finally rest and take a break for a while. We love you so much. ❤️

Artie was a dear and caring friend always available when we needed him. We will miss his friendly caring ways and I will miss his driving by the house every morning with a friendly wave or beeping his horn, and occasionally stopping his truck at the bottom of our driveway calling me from his cell to let me know he is going home. We will miss that tremendously. Our Superman has now earned his wings.
