I first met Lea when she was about a week old, just an infant home from the hospital, and that's when the love began & remained through the years. Living next door in our growing up years & working with her at P&W are filled with so many memories which I will forever treasure. Lea was always full of life & enjoyed life to the fullest with her flair for fashion (even as a little girl), her interest in people, cooking/baking, her love of flowers, shopping, her cats & long ago dog Macky. She was a hard & dedicated worker. Her faith & trust in God were top priorities in her life. I'm sure she now has a top priority in Heaven. Tom & I had the pleasure of sharing many occasions & experiences with her. Lea was always there for us and ready to help. She had much to give to everyone. Lea will always be remembered & loved very specially. Ellie & Tom

Dennis and family, I am so sorry for your loss. Lea was the kindest person --while working with my Dad at Pratt, she became a member of our family. She bailed out us Sanford kids many a time by typing our term papers and college applications, she traveled to all our weddings, baby showers and was always there. We had many inside jokes and she was there by our side when my Dad was passing. She is dearly loved and will be deeply missed. Sending deepest condolences.
